COLOR PRINTER FOR A4 FORMAT

HIGH SPEED, COLORFUL PRINTING

- Quick A4 print up to 40 ppm (Mono/Color)* with 1,200 x 1,200 dpi print resolution.
- Fast first print out time: 5.5 sec (mono) / 6.5 sec (Color).*
- Support high print volume with paper capacity up to 2,100 sheets**.
- Standard duplex unit for double-sided printing and direct printing from USB.
- Support Google Cloud Print, AirPrint and Mopria certified.
- Standard 1 GB RAM to meet heavy-duty tasks without additional memory required.
- Exceptionally low printing costs in its class.

* ECOSYS P7240cdn ** With Optional PF-5100 x 3

Born to be Extraordinary

KYOCERA Document Solutions is Extraordinary for

- Broad Range of Multifunction Devices and Printers
- Optimized Total Cost of Ownership (TCO)
- Reliable with Long Life Drum and Parts
- New and Advanced Technology

KYOCERA Document Solutions strives to be a company that contributes to the society and demonstrates a "Customer First" principle by providing customers with maximum value to increase their satisfaction. By adhering to the mission of producing document management devices that take balance between "Economy" and "Ecology", KYOCERA Document Solutions succeeds to develop document management devices with advanced technologies which help customers to optimize office productivity and efficiency at a low total cost of ownership and, at the same time, improving environmental performance.

Remarkable Output

Thanks to KYOCERA long-life, energy-saving components, these printers can achieve low total cost of ownership. They are extremely reliable with sharp output that most busy enterprises require.

Impressive Performance

· Smooth envelope printing with 'Auto Envelope Mode'.

- Support Job retention with SD card / SSD storage device (Optional).
- Ready to use with pre-installed initial toner.

• Direct print from USB memory.

- · Auto duplex as standard.
- Superior image quality 1,200 x 1,200 dpi print resolution.

Enhanced Security

- Authentication management among departments via IC Card.
- Sophisticated network security (SSL, IPsec) as standard and prevent improper access.
- Private Print enables secure print jobs with preset password[#] request at the device.
- Standard built-in Kensington Security Slot for burglar-proof of the device.

#ECOSYS P6235cdn, ECOSYS P7240cdn

Go Green

- · Low energy consumption
- Free of Hazardous material
- Fulfilled the requirements of RoHS (Restriction of Hazardous Substances) & usage of Lead-Free Parts.
- Reduce wastage by Long Life Consumables and Drums.
- Reduce noise by Quiet Mode.

Leading-edge Business Applications

By combining the innovative Business Applications, these printers can manage documents in an effective approach.

- KYOCERA MyPanel
 - Remote control designated KYOCERA printing devices by smartphone or tablet.
- AirPrint

Print documents, photographs, images, etc. directly from iOS devices/Mac.

- KYOCERA Mobile Print Conveniently print files, web pages and images using smartphone or tablet.
- KYOCERA Fleet Services (Optional) Maintain entire fleet from the cloud.
- KYOCERA Net Manager (Optional) Control sensitive documents and reduce printing costs.
- KYOCERA Net Device Manager Optimize, track and manage network devices from local and remote locations.

• Support WiFi Direct:

o Require IB-36 Wireless LAN (Optional)

o Makes print via AirPrint/Google Cloud Print/Mopria/KYOCERA Mobile Print/KYOCERA MyPanel much easier.
